## ARTICLE 6

### MEMBERSHIPS AND VOTING

Section 6.1 Owners of Lots. Each Owner of a Lot which is subject to assessment, pursuant to Article 7 hereof, shall be a Member of the Association. Each such Membership shall be appurtenant to and may not be separated from ownership of the Lot to which the Membership is attributable and joint ownership or ownership of undivided interests in any real property which establishes a Membership shall not cause there to be more Memberships than the number established for purposes of this Section 6.1.

Section 6.2 Declarant. The Declarant shall be a Member of the Association for so long as Declarant holds a Class B Membership pursuant to Section 6.3 below. Declarant shall be entitled to hold a Class B Membership so long as Declarant owns any Lot or any portion of Property that could be annexed into Sand Flower.

Section 6.3 Voting.

(a) Memberships. The Association shall have two classes of voting Memberships:

(i) Class A. Class A Memberships shall be all Memberships, except the Class B Memberships held by the Declarant, and each Owner shall be entitled to one (1) vote for each Class A Membership held by the Owner, subject to the authority of the Board to suspend the voting rights of the Owner for violations of this Declaration in accordance with the provisions

(ii) Class B. Until converted to Class A Memberships as provided below, each Membership owned by Declarant shall be a Class B Membership. At the time of any vote by the Members of the Association, Declarant shall be entitled to three (3) votes for each Class A Membership held by any Owner. The Class B Memberships shall cease and be converted to Class A Memberships on the first to occur of the following:

(A) The date Declarant ceases to hold fee simple title to any lot

in the Property, including lots in the Property not then included in Sand Flower.

(B) The date Declarant notifies the Board in writing that Declarant is terminating its Class B Memberships and converting such Memberships to Class A Memberships.

Each Owner agrees and acknowledges that Declarant's right to vote and all powers of Declarant herein shall not terminate even if all Lots in Sand Flower have been conveyed to one or more Owners, provided Declarant still owns any portion of the Property that could be annexed into Sand Flower pursuant hereto.

Section 6.4 Right to Vote. No change in the ownership of a Membership shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided with satisfactory proof thereof. The vote for each such Membership must be cast as a unit and fractional votes shall not be allowed. If a Membership is owned by more than one person or entity and such Owners are unable to agree amongst themselves as to how their vote or votes shall be cast, they shall lose the right to vote on the matter in question. If any Member casts a vote representing a certain Membership, it will thereafter be conclusively presumed for all purposes that such Member was acting with the authority and consent of all other owners of the same Membership unless objection thereto is made at the time the vote is cast. In the event more than one vote is cast for a particular Membership, none of said votes shall be counted and all said votes shall be deemed void.

A transfer of ownership to a Lot may be effectuated by deed, intestate succession, testamentary disposition, foreclosure of a mortgage or deed of trust of record or such other legal process as is now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of the ownership of a Lot shall operate to transfer the Membership(s) appurtenant to said Lot to the new Owner thereof.

Section 6.7 Suspension of Voting Rights. If any Owner is in arrears in the payment of any Assessments or other amounts due hereunder or is otherwise in default under any of the

provisions of this Declarant and such violation is not cured before any meeting of the Members where votes are to be taken, the Owner's right to vote as a Member of the Association shall not be exercisable for such meeting and shall remain suspended until all payments, including accrued interest, penalties and attorneys' fees as set forth below, are brought current, and until any other infractions or violations of this Declarant are cured.

## ARTICLE 7

### COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

Section 7.1 Creation of Lien and Personal Obligation of Assessments and Maintenance Charges. The Declarant, for each Lot hereafter established within Sand Flower, hereby covenants and agrees and each Owner by acceptance of a Deed therefore (whether or not it shall be so expressed in such Deed) is deemed to covenant and agree to pay to the Association the following assessments and charges: (1) Annual Assessments established by this Article; (2) Special Assessments for Capital Improvements or other extraordinary expenses or costs established by this Article; and (3) Maintenance Charges established by Article 10, all such assessments to be established and collected as hereinafter provided. The Annual Assessments, Special Assessments, and Maintenance Charges (sometimes hereinafter referred to collectively as the "Assessments" and individually as the "Assessment"), together with interest, penalties, costs, and reasonable attorneys' fees, shall be a charge, continuing servitude and lien upon the Lot against which each such assessment is made. Each such Assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time the Assessment was due. The personal obligation for delinquent assessments shall not pass to the successors in title of the Owner unless expressly assumed by such successors.

Section 7.2 Annual Assessments. To provide for the uses and purposes specified in Article 9 hereof, including the establishment of replacement and maintenance reserves, real estate taxes, insurance, management fees and such expenses that the Board deems reasonable or necessary to conduct the business of the Association, the Board shall assess against each Membership an Annual Assessment. The amount of the Annual Assessment shall be determined with the objective of fulfilling the Association's obligations under this Declaration to provide for the uses and purposes specified in Article 9. The Board may, during the Assessment Period, revise the amount of the Annual Assessment in order to meet expenses which exceed the amounts anticipated by the Association and collect such increased assessment in accordance with procedures established pursuant to Section 7.8 below. The Annual Assessment shall be assessed against each Member commencing with the year the first Lot is conveyed by the Declarant, provided, however, that in the event fulfillment of the purposes of the Association does not require the imposition of an Annual Assessment at that time, the Board may delay the initial

imposition of the Annual Assessment against each Member until such time as the fulfillment of the purposes of the Association require such imposition.

Section 7.3            Special Assessments for Capital Improvements and Extraordinary Expenses. In addition to the Annual Assessments and Use Assessments authorized above, the Association may levy, in any Assessment Period, a Special Assessment applicable to that Assessment Period only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, or for the purpose of defraying other extraordinary expenses; provided that any such Special Assessment must have the prior written consent of Declarant, if it still holds a Class B Membership or, if no Class B Memberships exist, sixty percent (60%) of the votes of the Members who are voting in person or by proxy at a meeting duly called for such purpose. The provisions of this section shall not preclude or limit the assessment, collection or use of the Annual Assessments for the aforesaid purposes.

Section 7.4            Uniform Rate of Assessment. The Annual Assessments and the Use Assessments may be collected on a monthly, quarterly, or annual basis and Special Assessments may be collected as specified by the Board unless otherwise determined by the resolution of the Members of the Association approving the Special Assessment. The amount of any Assessment shall be in the sole discretion of the Board except that (i) the Annual Assessment must be fixed at a uniform rate for each Lot; and (ii) the Declarant shall be obligated to pay only twenty-five percent (25%) of the Annual Assessment attributable to all Lots it owns in Sand Flower until a Dwelling Unit on such Lot has been occupied for residential use. If a Lot ceases to qualify for the reduced assessment during the period to which an Annual Assessment is attributable, the assessment shall be prorated between the applicable rates on the basis of the number of days in the assessment period that the Lot qualified for each rate. The rates shall be set so as to account for the reduced assessment paid by Declarant but Declarant shall be entitled at its sole option to pay to the Association such amounts as Declarant deems appropriate. In no event, however, is Declarant under any obligation to make such payments nor does it represent that assessments shall remain below certain amounts

Section 7.5            Notice and Quorum for Any Action Authorized Under Section 7.5. Written notice of any meeting called for the purpose of taking any action authorized under Section 7.5 of this Article shall be sent to all Members subject to such assessment no less than ten (10) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast fifty percent (50%) of all the votes (exclusive of suspended voting rights) of each class of Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than

sixty (60) days following the preceding meeting. Any Member can waive notice to a meeting and right to vote may be exercised by proxy pursuant to such rules the Board may from time to time promulgate.

Section 7.6 Rules Regarding Billing and Collection Procedures. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making the Assessments provided herein, for the billing and collection of the Assessments, provided that said procedures are not inconsistent with the provisions hereof. The failure of the Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment or charge under this Declaration, but the Assessment Lien therefor shall not be foreclosed or otherwise enforced until the Member has been given not less than thirty (30) days written notice, prior to such foreclosure or enforcement at the address of the Member on the records of the Association, that the Assessment, or any installment thereof is, or will be, due, and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Membership changes during an Assessment Period; successor Owners of Lots shall be given credit on a prorated basis for prepayments made by prior Owners.

Section 7.7 Collection Costs and Interest on Delinquent Assessments. Any Assessment or installment thereof not paid when due shall be deemed delinquent and shall bear a late fee and default interest, the amount of which shall be set forth in Section 8.1 below and the Member shall be liable for all costs, including attorney's fees, which may be incurred by the Association in collecting such amounts or in enforcing all of the rights and remedies provided herein. The Board also may, but is not obligated to, Record a Notice of Delinquent Assessment against any Lot as to which an Assessment is delinquent and constitutes a lien and may establish a fixed fee to reimburse the Association for the Association's cost in Recording such Notice, processing the delinquency and Recording a notice of payment, which fixed fee shall be treated as a collection cost of the Association secured by the Assessment Lien.

Section 7.8 Evidence of Payment of the Assessments. Upon receipt of a written request by a Member or any other person, the Association, within a reasonable period of time thereafter, shall issue to such Member or other person a written certificate stating (a) that all Assessments (including costs and attorney's fees, if any, as provided above) have been paid with respect to any specified Lot as of the date of such certificate, or (b) if all Assessments have not been paid, the amount of such Assessments (including costs and attorney's fees, if any) due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which charge must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matter therein stated as against any bona fide purchaser of, or lender on, the Lot in question.

Section 7.9 Property Exempted from the Annual. Special Assessments and Assessment Lien. Exempt Property shall be exempted from the Annual Assessments and, except as provided in Article 10, from Maintenance Charges and the Assessment Lien; provided, however, that if any change of ownership of Exempt Property results in all or any part thereof becoming Assessable Property in any year, the same thereupon shall, to the extent applicable, be subject to the Annual Assessments, Use Assessments and Special Assessments and, if exempt therefrom, Maintenance Charges (prorated as of the date it became Assessable Property) and the Assessment Lien.

Section 7.10 No Offsets. All Assessments and other amounts payable to the Association shall be payable in accordance with the provisions of this Declaration, and no offsets against such Assessments or other amounts shall be permitted for any reason, including, without limitation, a claim that the Association is not properly exercising its duties and powers as provided in the Declaration.

## ARTICLE 8.

### ENFORCEMENT OF DECLARATION AND ASSESSMENTS AND MAINTENANCE CHARGES AND OF ASSESSMENT LIEN

Section 8.1 Enforcement. The Declarant, for so long as it holds a Class B Membership, and the Association, as the agent and representative of the Members, shall have the exclusive right to enforce the provisions of this Declaration.

Any amounts owing the Declarant or Association hereunder as a result of a default by any Owner shall be immediately subject to a late payment penalty as may be set by the Board from time to time (not to exceed the greater of 10% of the amount owed or \$50.00), plus default interest on the amount of such late payment and such late payment fee, at a per annum rate equal to the greater of (i) 18% or (ii) five percent (5%) over the "prime rate" from time to time announced by the First interstate Bank of Arizona, N.A.

In the event of a default of any provisions hereof, including without limitation, any failure to comply with use restrictions or landscaping or design review control, the Association

or Declaration shall be entitled to obtain, in addition to any other rights or remedies at law or in equity, immediate injunctive relief. Each Owner agrees that damages are an inadequate remedy for any violation of any term or provision of this Declaration.

If any Owner or Builder fails to keep the streets clear mud, dirt or debris resulting from the construction activities as set forth herein or fails to keep any Lot clear of rubbish or debris or maintains a nuisance or unsafe, unsightly or offensive condition thereon or otherwise undertakes any activity or fails or permits any condition or circumstance to arise that constitutes a violation of any term or condition of this Declaration, Declarant or Association shall be entitled to take such action as it deems appropriate in order to correct or remove such condition and enter the Lot, street or other property on which such condition exists, with or without such notice as Declarant or Association deems prudent under the circumstance, and all costs, expenses and fees (including attorney's fees incurred by Declarant or Association in taking such action) shall be immediately due and owing by the Owner creating, causing or permitting such condition to exist, together with default interest from the date such costs are incurred and late payment fee as set forth above. The exercise of Declarant's and Association's rights shall not/be deemed to cure such default and may be exercised in addition to and not in lieu of any other right or remedy provided herein or at law or in equity.

Section 8.2 Remedies to Enforce Payment of Annual Assessments. Use Assessments. Special Assessments and Maintenance Charges. If any Member fails to pay the Annual Assessments, or Special Assessments or installments when due, or to pay Maintenance. Charges assessed pursuant to Article 10, the Association may enforce the payment of such Assessments and/or the Assessment Lien by taking either or both of the following actions, concurrently or separately (and, by exercising either of the remedies hereinafter set forth, the Association does not prejudice or waive its right to exercise the other remedy):

- (a) Bring an action at law and recover judgment against the Member personally obligated to pay the Assessments;
- (b) Foreclose the Assessment Lien against the Lot in accordance with the then prevailing Arizona law relating to the foreclosure of realty mortgages or, if applicable, a non-judicial sale under deeds of trust (including, where applicable, the right to recover any deficiency) and, if foreclosed as a realty mortgage, the Lot may be redeemed after foreclosure sale as provided by law.

Section 8.3 Subordination of Assessment Lien to First Mortgage or Deed of Trust: Priority of Lien. The Assessment Lien provided for herein shall be subordinate to any first mortgage lien held by, or deed of trust of which the beneficiary is, a lender who has lent funds with the Lot as security, or held by the lender's successors and assigns, and shall also be subject and subordinate to liens for taxes and other public charges which by applicable law are expressly

made superior. Except as above provided, the Assessment Lien shall be superior to any and all charges, liens or encumbrances which hereafter in any manner may arise or be imposed upon each Lot. Sale or transfer of any Lot shall not affect the Assessment Lien; provided, however, that if the sale or transfer is pursuant to foreclosure of a mortgage or deed of trust to which the Assessment Lien is subordinate, or pursuant to any sale or proceeding in lieu thereof, the purchaser at the mortgage foreclosure or deed of trust sale, or any grantee taking by deed in lieu of foreclosure shall take the Lot free of the Assessment Lien for all Annual Assessments, Use Assessments, Special Assessments and Maintenance Charges that have accrued up to the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure; but upon the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure, the Assessment Lien immediately shall become and remain superior to any and all other charges, liens or encumbrances (except liens for taxes or other public charges which by applicable law are expressly made superior), and such mortgage or deed of trust foreclosure sale purchaser or grantee shall take subject to all Annual Assessments, Use Assessments, Special Assessments, Maintenance Charges and the Assessment Lien thereof accruing subsequent to the date of issuance of a sheriff's or trustee's deed or deed given in lieu of foreclosure.

Section 8.4 Costs to be Borne by Member in Connection with Enforcement of Payment of Annual Assessments, Special Assessments and Maintenance Charges. In any action taken pursuant to Section 8.2 of this Article, the Member shall be personally liable for, and the Assessment Lien shall be deemed to secure the amount of, the Annual Assessments, Use Assessments, Special Assessments and Maintenance Charges together with interest, penalties and the Association's collection costs and attorney's fees, including those costs and fees specified in Section 7.7.

## ARTICLE 9

Section 9.1 Purposes for which Association's Funds May Be Used. The Association shall apply all funds and property collected and received by it (including the Annual Assessments and Special Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of Sand Flower and the Members and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies and systems, within or without Sand Flower, which may be necessary, desirable or beneficial to the general common interests of Sand Flower, the Members and the Residents. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

Section 9.4        Insurance. The Association shall maintain insurance against liability incurred as a result of death or injury to persons or damage to property on the Common Areas, with the amount and type of coverage to be determined by the Board.

The Association, or its duly delegated representative, shall maintain and otherwise manage, all Common Areas, including, but not limited to, entry signs, drainage and flood control areas, the landscaping, project perimeter walls, walkways, paths, parking areas, drives and other facilities. The Association shall also be responsible for maintaining retention basins and the drainage easements designated as "D.E." on the Plat. In no event shall the Association be otherwise responsible for maintaining any area on a Lot that the City requires to be maintained in a natural or undisturbed state. The Association shall also maintain any landscaping and other improvements not on Lots which are within the exterior boundaries of the Property which are intended for the general benefit of the

Owners and Residents of Sand Flower, including landscaped medians within any rights-of-way, "gang" mail boxes, bike path, equestrian trails, signs and lighting. The Association shall not maintain areas which (i) the City of Scottsdale, County of Maricopa or other governmental entity is maintaining or (ii) are to be maintained by the Owners of a Lot unless the Association elects to maintain such areas. Specific areas to be maintained by the Association may be identified on the Plat or approved by the Declarant, and in deeds from the Declarant to a transferee of a Lot, but the failure to so identify such areas shall not affect the Association's rights or responsibilities with respect to such Common Areas and other areas intended for the general benefit of Sand Flower.

The Board shall use a reasonably high standard of care in providing for the repair, management and maintenance of said property so the Sand Flower development will reflect a high pride of ownership. In connection therewith the Association may, in the discretion of the Board:

- (a) Reconstruct, repair, replace or refinish any improvement or portion thereof upon any Common Area;
- (b) Replace injured and diseased trees and other vegetation in any Common Area and plant trees, shrubs and ground cover to the extent that the Board deems necessary for the conservation of water and soil and for aesthetic purposes;
- (c) Place and maintain upon any Common Area such signs as the Board may deem appropriate for the proper identification, use and regulation thereof;
- (d) Do all such other and further acts which the Board deems necessary to preserve and protect the Common Area and the beauty thereof, in accordance with the general purposes specified in this Declaration.

The Board shall be the sole judge as to the appropriate maintenance of all Common Areas and other properties maintained by the Association. Any cooperative action necessary or appropriate to the proper maintenance and upkeep of said properties shall be taken by the Board or by its duly delegated representative.

In the event this Declaration permits the Board to determine whether Owners of certain Lots will be responsible for maintenance of certain Common Areas or public right-of-way areas, the Board shall have the sole discretion to determine whether or not it would be in the best interest of the Owners, Occupants and Residents of Sand Flower for the Association or an individual Owner to be responsible for such maintenance, considering cost, uniformity of

appearance, location and other factors deemed relevant by the Board. The Board may cause the Association to contract with others for the performance of the maintenance and other obligations of the Association under this Article 10 and, in order to promote uniformity and harmony of appearance, the Board may also cause the Association to contract to provide maintenance services to Owners of Lots having such responsibilities in exchange for the payment of such fees as the Association and Owner may agree upon.

Section 10.2 Assessment of Certain Costs of Maintenance and Repair of Common Areas and Public Areas. In the event that the need for maintenance or repair of Common Areas and other areas maintained by the Association is caused through the willful or negligent act of any Member, his family, guests or invitees, the cost of such maintenance or repairs shall be added to, and become a part of, the Assessment to which such Member and the Member's Lot is subject, and shall be secured by the Assessment Lien.

Section 10.3 Improper Maintenance and Use of Lots. In the event any portion of any Lot is so maintained as to present a public or private nuisance, or as to substantially detract from the appearance or quality of the surrounding Lots or other areas of Sand Flower which are substantially affected thereby or related thereto, or in the event any portion of a Lot is being used in a manner which violates this Declaration, or in the event the Owner of any Lot is failing to perform any of its obligations under this Declaration or the Design Review Guidelines, standards and rules and regulations of the Design Review Committee, the Board may by resolution make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective action is taken within fourteen (14) days, the Board may cause such action to be taken at said Owner's cost. If at the expiration of said fourteen (14) day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be added to, and become a part of, the Assessment to which the offending Owner and the Owner's Lot is subject, and shall be secured by the Assessment Lien.
